

COUNCILMEMBER DONNA FRYE

**City of San Diego
Sixth District**

MEMORANDUM

DATE: June 24, 2003
TO: Michael Ubueraga, City Manager
FROM: Councilmember Donna Frye *Donna Frye*
SUBJECT: CEQA Compliance Documents – Second Quarterly Update to the LDC

Please see my attached memo of June 5, 2003 and the attached staff reply of June 19, 2003. Unfortunately, the staff reply is not responsive to my request. As you will note, my memo did not ask for a repeat recitation of statements made at the meeting of June 4, it did not ask for the type of environmental determination that was made, nor did it ask for a clarification on why the actions were exempt. It simply asked for "a copy of the environmental document that specifically addressed each of the following actions:

- Application of the Transit Area Overlay Zone to specific sites;
- Application of the Residential Tandem Parking Overlay Zone to specific sites; and
- Amendments to the Carmel Valley Planned District Ordinance parking regulations."

Please provide the memo, form or other document prepared by the Environmental Analysis Section (EAS) that establishes that EAS reviewed the proposed actions and determined that the actions were exempt. If there is no such record, then please so state.

Thank you for your prompt attention to this matter.
